 - 1.1.1 The parties agree to create a new collective agreement between the Association and the District with a term from July 1, 2011 to June 30, 2014.
 - 1.1.2 The above-referenced collective agreement shall embody all of the specific terms of the agreement that expired on June 30, 2011, with the exception of the duration clause.
 - 1.1.3 The parties agree that they will Public Notice (pursuant to EERA Section 3547) their respective proposals for successor agreement issues (other than the term).
 - 1.1.4 Nothing in this agreement shall be construed as limiting any right the parties otherwise retain.
 - 1.1.5 This agreement shall remain in full force and effect up to and including June 30, 2014. Between the dates of March 1 and April 30 of 2014 either party may, by written request to the other, reopen negotiations on successor contract amendments or modification of two non-monetary articles of their choice, plus Article 10.1, Salary. All requests to reopen negotiations shall be subject to the public notice provisions of Government Code Section 3547.

ARTICLE 2 - RECOGNITION

- 2.1. The District confirms its recognition of the Association as the exclusive representative for that unit of employees as certified by the Public Employment Relations Board in Case Number S-R-313, S-D-15. The unit includes the following classifications in the transportation department:
 1. Administrative Assistant II
 2. Bus Dispatcher/Trainer
 3. Bus Driver
 4. Head Automotive Mechanic
 5. Lead Bus Driver/Trainer
 6. Mechanic II
 7. Mechanic I
 8. Relief Bus Driver
 9. Transportation Technician
 10. Bus Attendant
- 2.2 All management, supervisory, and confidential employees and all other classified employees are excluded.

ARTICLE 3 - GRIEVANCE PROCEDURE

- 3.1 Grievance Definitions - The following definitions control the meaning of the terms as used in this Article:
 - 3.1.1 "Grievance" means a complaint of one or more employees that they have been adversely affected by a violation, misapplication or misinterpretation of the Agreement.
 - 3.1.2 "Grievant" means the employee(s) of the District covered by the terms of this Agreement.
 - 3.1.3. "Party" means the grievant(s) and the Folsom Cordova Unified School District.
 - 3.1.4 "Day" is any day in which the Folsom Cordova Unified School District is open for business.

3.1.5 "Immediate supervisor" is the lowest level administrator having immediate jurisdiction over the grievant who has been designated to administer grievances.

3.2. CSEA Grievance

3.2.1 Notwithstanding any other provision of this Agreement, CSEA may grieve any alleged violation, misapplication, or misinterpretation of this Agreement.

3.3. Time Limits

3.3.1. Each party involved in a grievance shall act so that the grievance may be resolved promptly and at the lowest possible level. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of all parties the time limitation for any step may be extended. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of the procedure within the time allotted had the decision been given.

3.4. Representation

3.4.1 An employee or his/her representative, or both, may represent a grievance while on duty in accordance with Article 4.3.2. The grievant may be represented by CSEA or any eligible representative of his/her own choosing, other than another employee organization, at any step of this procedure.

3.5. Informal Level

3.5.1. Before filing a formal written grievance, the grievant shall attempt to seek a resolution by an informal conference with his/her immediate supervisor. This informal conference shall be held within ten (10) days after the grievant had knowledge or reasonably should have had knowledge of the occurrence, act, or omission giving rise to the grievance.

3.6. Formal Level - The following steps and procedures are established should the grievant wish to appeal a grievance decision.

3.6.1. Step One: Immediate Supervisor

3.6.1.1. Within fifteen (15) days after the informal conference, the grievant must present the grievance in writing on the appropriate form to the immediate supervisor.

3.6.1.2. The grievance form will be signed by the grievant, the date and time of presentation affixed thereto, and signed as received by the immediate supervisor.

3.6.1.3. The immediate supervisor shall communicate his/her decision to the employee in writing within fifteen (15) days after receiving the formal grievance. If the immediate supervisor does not respond within the time limits, the grievant may appeal to the next level.

3.6.1.4. Within the above time limits either party may request a personal conference.

3.6.2 Step Two: Office of Superintendent

3.6.2.1 In the event the grievant is not satisfied with the formal written decision of the immediate supervisor in Step One, he/she may (within ten {10} days of the formal written decision rendered in Step One) appeal the decision on the appropriate form to the Superintendent or designee. (Forms to be made available at school and departmental locations). This statement should include a copy of the original grievance, the decision

rendered by the immediate supervisor, and a clear, concise statement of the reasons for the appeal.

- 3.6.2.2 The Superintendent or designee shall communicate his/her decision within fifteen (15) days after receiving the appeal. The grievant may request a personal conference within the above time limits. If the Superintendent or designee does not respond within the time limits, the grievant may appeal to the next step.

3.6.3. Step Three: Advisory Arbitration

- 3.6.3.1 If the grievant and/or the Association is not satisfied with the decision of the Superintendent or designee at Step Two, the grievant and/or the Association may within ten (10) days submit a request in writing to the Superintendent for advisory arbitration of the dispute.
- 3.6.3.2 The grievant and/or CSEA and the District shall attempt to agree upon an advisory arbitrator.
- 3.6.3.3 If no agreement can be reached, they shall request the State Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools.
- 3.6.3.4 Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the advisory arbitrator. The order of the striking shall be determined by lot.
- 3.6.3.5 The fees and expenses of the advisory arbitrator and the hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.
- 3.6.3.6 The advisory arbitrator, as soon as possible, hears evidence and renders a decision on the issue or issues submitted to him/her. If the parties cannot agree upon a submission agreement, the advisory arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- 3.6.3.7 The advisory arbitrator will have no power to add to, subtract from, or modify the terms of this agreement, or the written policies, rules, regulations, and procedures of the District.
- 3.6.3.8 After a hearing and after both parties have had an opportunity to make written arguments, the advisory arbitrator shall submit, in writing, to all parties the findings and recommendations for possible implementation by the Superintendent or designee, within fifteen (15) days.

3.6.4. Step Four: Governing Board

- 3.6.4.1 If either of the parties is not satisfied with the recommendations of the advisory arbitrator, a written appeal may be made to the Governing Board within fifteen (15) days following receipt of the advisory arbitrator's report. A copy of the appeal shall be submitted to the Superintendent and the parties to the grievance, (i.e., grievant, immediate supervisor).
- 3.6.4.2 The Governing Board has the power to render a final and binding determination of a grievance. The recommendation of the arbitrator shall only be advisory; and if, upon review, the Governing Board determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence.
- 3.6.4.3 When the Governing Board has reached a decision, the Superintendent or designee will be directed to inform the parties and implement the decision.

3.7 General Provisions

- 3.7.1. Actions to challenge or change the policies of the District or any specific contract provision must be undertaken under separate legal processes.
- 3.7.2. Other matters for which a specific method of review is provided by law, by the policies of the Board of Education, or by the administrative regulations and procedures of this school District, are not within the scope of this procedure.

ARTICLE 4 - ASSOCIATION RIGHTS

4.1. Use of Facilities

- 4.1.1. Subject to current District regulation 4119.25, the Association shall have the right of access to areas in which employees work; to use institutional bulletin boards, mailboxes, and other means of communications; and to use institutional facilities for the purpose of Association meetings, processing of grievances and matters related thereto.

4.2. Employee Information/Seniority List

- 4.2.2. Upon request, but no more than quarterly, the names, addresses, duty location, and phone numbers of classified bargaining unit members shall be provided to the Association during the school year to keep current the bargaining unit's emergency notification roster. As new unit employees are hired, those names and addresses will be forwarded to the Association throughout the year.

4.3. Release Time

- 4.3.1. State Conference – CSEA shall be provided release time for authorized delegates to attend the annual state conference. The Association shall reimburse the District for the cost of substitutes secured to replace employees attending the conference for costs incurred in excess of \$1,000.00.

4.3.2. Grievance Processing

- 4.3.2.1 CSEA reserves the right to designate representatives authorized to act on behalf of the Association in grievance procedures. CSEA shall notify the Assistant Superintendent, Human Resources, in writing, of these representatives and include:
 - The period for which the appointment is made;
 - The current work site and telephone numbers of the designee. CSEA shall also provide written notice of any change to this information.
- 4.3.2.2 CSEA shall be entitled to release time exclusively for the purpose of processing grievances. Release time shall be limited to time available under Article 12, Section 12.17.
- 4.3.2.3 The CSEA representative shall request, in writing, to the Assistant Superintendent, Human Resources or his/her designee, the amount of release time requested and state the contract article being grieved. The Assistant Superintendent, Human Resources, shall notify the employee's immediate supervisor of the amount of release time authorized. Prior written authorization shall be provided to the employee before release time is taken. The employee shall identify the use of release time on his/her absence sheet or in AESOP.
- 4.3.2.4 Prior to entering another work location, the CSEA representative shall contact the site supervisor to discuss appropriate times for entering the location as well as the purpose and expected duration of that visit. Upon entering another work location, the CSEA representative shall

identify him/herself if possible to the supervisor in charge of that location and state the purpose and expected duration of that visit. The CSEA representative may be denied permission by the District to talk to the employee on his/her duty time if it will unduly interfere with the employee's work.

4.3.2.5. The CSEA representative is permitted to discuss the particulars of the grievance with employees immediately concerned and if appropriate, to attempt a resolution to the grievance. Such employees immediately concerned may choose not to discuss the particulars of the grievance with the CSEA representative. This shall not preclude any employee from being called to testify under Article III of this agreement.

4.4. The Association will form and maintain a Policy Advisory Committee (PAC). Through this committee, employees and/or Association representatives are encouraged to make suggestions to the Superintendent or designee(s) regarding the need for new policies and regulations and handbook provisions. CSEA will be notified in writing of any proposed changes in District policies and regulations that fall within the 4200 series or proposed changes in matters that fall within the mandatory scope of bargaining. Such notice shall be provided at least five (5) days prior to District action on the proposed change, except in a case of emergency. The Superintendent or designee(s) will meet with employees and/or Association representatives, upon request, at mutually agreed upon times, to discuss employee concerns and suggestions.

ARTICLE 5 - DISTRICT RIGHTS

5.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law.

5.2 The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the District, the adoption of policies, rules, regulations, and responsibilities by the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with the laws of the State of California.

ARTICLE 6 - AGENCY FEE/EMPLOYEE RIGHTS

6.1 The District and the Association recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal alternative right of employees to refuse to form, join, and participate in employee organization activities. CSEA shall have the sole and exclusive right to have membership dues and service fees deducted for unit members.

6.2 Any unit member who is a member of the CSEA Chapter 528, or who has applied for membership, may sign and deliver to the District an assignment authorizing deduction of membership dues, initiation fees, and general assessments in the Association. Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the unit member each month for ten (10) months. Service fees required by CSEA shall be deducted from any employee who does not make appropriate authorization for the deduction of

- membership dues. There shall be no charge to the Association for agency fee deductions.
- 6.3 New employees shall receive a packet of information from CSEA, which includes membership related materials, but is not limited to a membership application, at the time of their initial employment.
- 6.4 Service fees and membership dues will be deducted within 30 calendar days of the date of initial employment with the District.
- 6.5 Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support CSEA Chapter 528 as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such lawful representation fee to a non-religious, non-labor organization, charitable fund exempt from taxation under Section 501 (3) of Title 26 of the *Internal Revenue Code*.
- 6.5.1 Such payment shall be made on or before October 31st of each school year or in 10 monthly payments between September and June of each year.
- 6.5.2 Proof of payment and a written statement of objection, along with verifiable evidence of membership in a religious body whose traditional tenets or teachings object to joining or financially supporting employee organizations, shall be made on an annual basis to the Association and District as a condition of continued exemption from the provisions of Article 6.5 above. Proof of payment shall include the amount paid, date of payment, and to whom payment was made. Such proof shall be presented to the Association and the District on or before June 30th of each school year. In the absence of such proof being provided, the employee shall within 30 days of June 30th submit the prior year's lawful representation fee to the Association.
- 6.6 Only the District's payroll procedure with respect to the implementation of this Article may be subject to a grievance filed by the unit member and/or by CSEA.
- 6.7 With respect to all sums deducted by the District pursuant to Article 6.2 above, whether for membership dues, agency fee, or lawful representation fee, the District agrees promptly to remit such moneys to the Association accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association.
- 6.8 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.
- 6.9 The Association and the District hereby agree as follows:
- 6.9.1 The Association agrees to hold the District harmless and to pay to the District all reasonable legal costs incurred in defending against any suit, court action, and/or administrative action challenging the legality or constitutionality of the agency fee provisions of this Agreement or their implementation and to pay any judgment or settlement liability arising out of such challenge.
- 6.9.2 The Association shall have the exclusive right to decide and determine whether any such action or proceeding referred to in Section 6.9.1 shall or shall not be compromised, resisted, defended, tried, or appealed.

ARTICLE 7 - PAYROLL DEDUCTIONS

- 7.1 The District will deduct from the pay of Association members and pay to the Association the normal and regular monthly Association membership dues as voluntarily authorized in writing by the employee on the District form subject to the following conditions:
- 7.1.1 Such deduction shall be made only upon submission of the District form to the designated representative of the District duly completed and executed by the employee and the Association.
 - 7.1.2 New employees failing to complete their membership dues authorization within 30 days of initial employment will have an amount equal to Association membership dues (CSEA service fee) deducted from their monthly pay warrants. The Association will provide to the District an accurate amount to be deducted. This amount will be the computed CSEA membership dues. Such deductions will not require payroll deduction authorization (Ed. Code 45168.)
 - 7.1.3 The employer further agrees to furnish as supplied by CSEA, a CSEA membership information packet to each unit member employed subsequent to the ratification of this agreement.

ARTICLE 8 - LAYOFF AND RE-EMPLOYMENT

8.1 Layoff

- 8.1.1 A layoff for the purpose of this Article shall be considered as an involuntary separation of a permanent or probationary classified employee due to lack of funds and/or lack of work.

8.2 Order of Layoff

- 8.1.1 Seniority shall be determined solely by length of service. Length of service shall be calculated by date of hire within the classification. Employees who voluntarily terminate their employment with the District shall establish a new date of hire when re-employed with the District.
- 8.1.2 Classified employees shall be laid off in inverse order of seniority in the job classification in which the layoff occurs. Employees who have been employed the shortest time in the classification, plus higher classifications, shall be laid off first. In determining seniority, time spent on unpaid leave or time worked as substitute or extra help shall not be counted.
- 8.1.3 If two (2) or more employees subject to layoff have equal seniority, the determination as to who shall be laid off shall be made by lot.

8.3 Notice of Layoff

- 8.3.1 When a layoff of classified employees is anticipated by the administration and at least forty-eight (48) hours before any Board action is taken on layoff of classified employees, the District shall notify CSEA in writing of the proposed action. The District will provide CSEA with an updated seniority roster for the classification in which the layoff is anticipated no less than fifteen (15) calendar days before the date notices are sent to employees. A list of positions and/or hours recommended for reduction or elimination, and for information only, any non-confidential documents supporting the need for layoff will be furnished to CSEA at the time such information is given to the Governing Board.
- 8.3.2 Upon written request, the District shall meet with CSEA to negotiate the effects of the proposed layoff.

8.3.3 Any employee may challenge, within ten (10) days of notice, his/her place on the seniority roster by making objections to the Assistant Superintendent, Human Resources, or designee who shall review the objections and conduct an audit, if requested, and make the results of such audit known to CSEA and the employee(s) prior to the effective date of any layoff(s) involving such employee(s).

8.3.4 After a Board action has been taken on a layoff, a written notice of layoff shall be given to affected employees no less than sixty (60) calendar days prior to the effective date of layoff. A termination interview with the Assistant Superintendent, Human Resources, or designee may be scheduled during normal working hours, if requested by the employee. A copy of the notice shall be concurrently sent by mail to the President of CSEA local chapter or designee with a list of the employees to whom sent. Such notice shall indicate the layoff effective date and inform the employee of his/her displacement rights, if any, and re-employment rights.

8.4 Improper Layoff

8.4.1 If, during the term of this Agreement, it is determined that an employee has been improperly laid off and would have been otherwise entitled to employment, said employee shall be re-employed as soon as possible after the error is determined to exist and shall be reimbursed by the District for any loss of salary. Additionally, seniority step placement, vacation, and sick leave hours shall be reinstated as if there were no interruption in service.

8.5 Displacement (Bumping) Rights

8.5.1 An employee who is laid off from the classification and who has previous service in an equal or lower classification shall have the right to bump the least senior employee in that classification with less seniority than the employee being laid off. Where the employee is eligible to bump into more than one (1) classification, the employee shall bump into the equal classification. If there are two (2) classifications which the employee is eligible to bump into, he/she shall, within three (3) days of notice, make a choice of the eligible classifications to bump into.

8.5.2 Seniority, for the purpose of determining bumping rights, shall include the total of the previous service in the equal or lower class being bumped into, plus service in the class from which layoff occurs and higher classes.

8.5.3 Once the least senior employee has been laid off, if the position that becomes vacant is fewer months than the position held by the employee whose position was eliminated, all remaining employees in the classification of layoff will be placed on separate seniority lists based on the number of months worked. The least senior person on the higher number of months list will bump into the vacant position. (This procedure will be repeated if there are more than two lists for number of months worked.)

8.5.4 A permanent or probationary employee who has been removed from his/her classification for lack of work or lack of funds and after exercising his/her bumping rights may accept a voluntary demotion to a vacant position in a lower class or placement in an equal class, provided that the employee is qualified to perform the duties thereof and provided further that the District approves such re-assignment. Such employee shall maintain his/her reemployment rights as defined in this Article.

8.5.4.1 No regular employee shall be laid off from a position while an employee, not in the classified service, is serving in a position in the same classification for a scheduled leave with at least one (1) more

month duration as of the effective date of layoff, unless the regular employee declines such assignment.

8.6 Re-employment Rights

- 8.6.1 Laid off employees are eligible for reemployment in the classification from which laid off for a thirty-nine (39) month period from the effective date of layoff and shall be re-employed in the reverse order of layoff, as vacancies become available.
- 8.6.2 Laid off employees who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time shall be, at the employees' option, returned to a position in their former classification or to a position with increased assigned time as vacancies become available and for a period of sixty-three (63) months from the effective date of layoff. Such employees shall be ranked in accordance with their seniority on the reemployment list(s).
- 8.6.3 An employee who is laid off and is subsequently eligible for re-employment shall be notified in writing by the District, of opening(s), for which he/she is eligible. The notice shall be by certified mail to the last address of the employee on record with the District office.
- 8.6.4 In lieu of certified mail notice, the District may elect to give notice by telephone or in person. If the position is refused, the District will confirm such refusal by letter to the employee. CSEA shall be given written notice of all employees offered employment.
- 8.6.5 An employee who has received and declined two (2) offers of employment in the classification from which they were laid off with the same or more hours than those held at the time of layoff, shall be removed from the re-employment list.
- 8.6.6 Within seven (7) calendar days of mailing the notice or within five (5) calendar days of telephone or personal contact, the employee must accept the position or the right to it is deemed waived.
- 8.6.7 The District may simultaneously send out notice of vacancies to more than one (1) person on a reemployment list provided that a more junior person may be given the vacancy only when those with more seniority have declined or waived it.
- 8.6.8 Any acceptance by such employee of an assignment to a classification lower than the classification from which he/she was laid off or to the same classification, but with fewer hours, shall not affect his/her original sixty three (63) month rights to re-employment in his/her former classification and with the same number of hours. An employee given an offer of such re-employment does not need to accept re-employment to maintain his/her eligibility on the re-employment list provided the employee notifies the District of his/her refusal of re-employment within ten (10) calendar days from receipt of the re-employment offer. If the employee accepts re-employment, he/she must report to work within eleven (11) work days following receipt of the re-employment offer unless a later reporting date is indicated on the re-employment offer or the District approves a later reporting date.

8.7 Seniority During Involuntary Unpaid Status

- 8.7.1 Employees who return to work from an involuntary unpaid status of less than thirty-nine (39) months, shall retain their original hire date for all hours previously earned for seniority credit. During this unpaid status, no vacation, sick leave, holidays, seniority hours, or other leave benefits will accrue.

8.8 Sick Leave Hours

8.8.1 Sick leave hours earned and unused at the time of layoff shall be restored upon reemployment.

8.9 Vacation and Compensatory Time

8.9.1 Vacation and compensatory time earned and unused at the time of layoff shall be computed and paid off with the final warrant due the employee.

8.10 Fringe Benefits Continuance

8.10.1 With approval of the carrier(s), an employee who has been laid off shall continue to be covered with the benefits provided in Benefits Article in accordance with the Cobra Law provisions provided that the employee pays the full premiums in advance as prescribed by the District.

ARTICLE 9 - OTHER TERMS AND CONDITIONS OF EMPLOYMENT

9.1 Vacant Positions

9.1.1 Posting Requirements

9.1.1.1 When a new position is created or an existing position becomes vacant, such vacancies shall be posted within all work locations of the District and shall remain posted at all such locations for not less than five working days prior to being filled. Summer positions with a duration of 15 or more working days will also be posted. This shall not restrict the District's ability to employ a substitute employee pending the filling of the vacancy, so long as the District actively pursues the employment of a regular employee.

9.1.1.2 The administrator at each District work site will provide a designated area for displaying postings which is prominent, visible, and easily accessed by employees (i.e. staff lounge) during their work day. Site administrators will designate a site employee who will ensure that all postings are placed on this area. Site administrators will ensure that all classified employees at the site are notified of the area where postings will be placed. Any isolated department that does not have access to the above posting area must request of the Personnel Department that they receive an individual posting for their department.

9.1.1.3 All vacancy postings required under section Section 9.1.1.1 above shall include the class title of the vacant position, the current daily, weekly, or annual hours of employment, and the salary range which is assigned to the position. Such posting does not preclude the District from altering hours or site based upon the changing needs of the District.

9.1.1.4 During the month of May, the District will communicate to employees the manner in which summer postings will be available during the months of June, July, and August.

9.1.1.5 Employees who apply for a position but are not selected may request the Assistant Superintendent, Human Resources, provide the reason(s) the candidate was not selected. The Assistant Superintendent, Human Resources, may provide information that will assist the employee to be successful when applying for future positions.

9.1.2 Employee Application Requirement

9.1.2.1 An employee may apply for vacant positions by submitting a written application to the District Personnel Department within the posting period. An employee on a leave of absence during the posting period may submit his/her application personally or through his/her Association representative.

9.1.3 Employee Interview Process

9.1.3.1 The District shall give all employees serious consideration for employment in any vacant position for which they apply within the posting period. Should an employee's application exhibit that he/she meets the minimum qualifications for the vacant position, he/she shall receive an interview. When an employee and an outside candidate are rated to be equally acceptable for the position, preference will go to the employee.

9.1.4 Lateral Transfer

9.1.4.1 When an employee serving in the class in which the vacancy exists applies within the posting period for transfer to the position, she/he shall be granted the transfer providing the employee's evaluation is satisfactory and contain no marks indicating a) Not Satisfactory or b) Requires Improvement. If an employee receives an evaluation with a "Not Satisfactory" or "Requires Improvement" indicated, she/he has the right, if requested, to a new evaluation within a year.

9.1.4.2 When two or more employees serving in the class in which the vacancy exists so apply, and all employees meet the requirements of section 9.1.4.1 above, all employees will receive an interview. Seniority will be given consideration, second to ability and job knowledge.

9.1.4.3 The District reserves the right to make lateral transfers under this section in order to meet the needs of the District and/or employee.

9.2 Reassignment

9.2.1 Reassignment is defined as working out of class temporarily. Employees who are assigned to temporarily assume a higher job classification for a period of more than five days within a 15-day calendar period, will have their salary adjusted upward for the actual period of such assignment. In order to receive adjustment, it is assumed that such change in assignment results in a significant change in duties.

9.2.2 This section does not imply that extra pay is due to an employee who assumes only incidental responsibilities of another employee or position when that employee is absent or the position is vacant.

9.2.3 The employee's step increment will remain unchanged if the temporary position is within the employee's job family. If the temporary position is outside the employee's job family, the employee shall be paid at the higher range but at the lowest step that is at least 5% higher than the employee's regular rate of pay. Upon returning to the former position, the pay shall revert to the lower range.

9.3 Employment

9.3.1 Permanency is achieved only if acceptable performance standards are met during the probationary period.

9.3.2 Probationary Status

9.3.2.1 The serving of a probationary period is a part of qualifying for permanency in: 1) the classified service and 2) a class within that service. The term of probation in each case is 9 working months.

When an employee attains permanency in the service and has not yet attained permanency in a class because of a change of class during his/her first year, he/she shall be considered permanent in the lower class until such time as he/she attains permanency in a class by virtue of completion of nine (9) working months of probationary service in that class.

9.3.2.2 Immediately following a probationary appointment, the supervisor shall discuss the standards of performance and behavior required of the employee and thoroughly explain what is expected of him/her. Performances and conduct shall be carefully reviewed and evaluated by the respective supervisors during probationary periods. At any time during the probationary period, the supervisor should discuss with the probationary employee any concerns that could potentially lead to termination of his/her employment in the District. The supervisor should meet personally with the employee (and provide written follow up), clearly identifying the specific concerns, providing suggestions for improvement, and plainly communicating that the concerns, if not addressed, could cause the termination of employment within the probationary period.

9.3.2.3 Probationary status may be terminated at any time within the nine-(9) working-months period by action of the Superintendent/designee, and without any right of appeal by the employee. Upon such termination, a new employee is released from District employment; a permanent employee in a new classification reverts to the permanent status of his/her former classification. An employee whose probationary status is terminated by the Superintendent/designee shall be notified in writing of the action.

9.3.3 Permanent Status

9.3.3.1 In the Classified Service

9.3.3.1.1 Permanency in the classified service is a status in which dismissal or disciplinary actions are subject to right of appeal by the employee, and in which he/she has seniority retention rights in case of layoffs for lack of work or funds.

9.3.3.1.2 New employees shall attain permanency in the classified service upon competent, satisfactory completion of nine (9) working months of regular service. Credit for temporary service, may be counted as regular service for this purpose.

9.3.3.2 In a Class

9.3.3.2.1 Permanency in a class is a status in which an employee has the right of appeal in case of demotion.

9.3.3.2.2 An employee shall attain permanency in a class upon completion of nine (9) working months of regular competent, satisfactory service in positions within that class. Temporary service in a position to which an employee subsequently received a regular appointment will be counted provided there has been no break in service. If promotion occurs within that year, the time served in the new classification will be counted toward permanency in the initial classification.

9.3.3.3 Extra Help

9.3.3.3.1 It is recognized that unit employees and the District occasionally experience frustrations due to short term peak workloads, extra work due to training needs, seasonal workload requirements, and during emergency situations. To

provide mutual relief for these frustrations, the District may, as funds are available, employ and provide extra help employees for periods up to 60 cumulative working days in a fiscal year. Extra help employees shall be classified as probationary employees exceeding sixty (60) cumulative working days in a fiscal year.

9.3.3.3.2 It is understood that the District will provide the first opportunity for substitute work, extra help, and long-term assignments to employees on the 60-month re-employment list, within their classification or previously held classifications.

9.3.3.3.3 Additionally, employees serving in positions designated for layoff may be temporarily reassigned to fill in for a more senior employee on a leave of absence. The reassigned employee will not receive a layoff notice until the conclusion of the temporary assignment.

9.4 Evaluation and Step Increases

9.4.1 New Employees

9.4.1.1 Each new probationary employee shall be evaluated at the beginning of his/her sixth (6) month of regular employment. If the overall performance is deemed to meet or exceed standards, as indicated on the Classified Evaluation form, the supervisor shall recommend that the employee be granted permanent status. An overall performance that meets or exceeds standards contains no more than three marks indicating needs improvement and/or unsatisfactory. The supervisor shall recommend that the employee be given a one step increase, provided the employee was not hired at the E step. The step increment becomes effective on the first day of the month following the month in which the employee completed six working months of regular service. This date is used to establish the anniversary date for eligibility for succeeding step increases.

9.4.1.2 If the supervisor feels that the performance of a new employee does not warrant six (6) month permanent status and step increase, these items are withheld pending further evaluation by or before the beginning of his/her ninth (9) working month of regular employment. Based upon improvement in the employee's performance, as reflected in a subsequent special evaluation report, permanent status and step increase may be granted on the first day of any month from the seventh to the ninth working month of employment. This date then becomes the basis for establishing the anniversary date for eligibility for succeeding step increases.

9.4.1.3 If the employee does not attain permanence at the sixth (6) working month of employment, a final probationary evaluation shall be made at the end of the ninth (9) working month of service, signed by the supervisor and the employee, and submitted to the Personnel Office at the beginning of the tenth (10) month of regular employment.

9.4.2 Permanent Employees

9.4.2.1 A permanent employee serving a probationary period in a new classification following promotion or transfer shall be evaluated at the same intervals as a new employee.

9.4.2.2 If the permanent employee's performance in the probationary class is unsatisfactory, as indicated on the Classified Evaluation form, the

employee shall revert to a permanent status in the class in which he/she holds permanency. The employee's former anniversary date and any step increase for which he/she would have been eligible if the employee had remained in the permanent class will be restored.

9.4.2.3 Commencing the second year of placement on the "E" step (or above) of the Classified Salary Schedule, employees shall be evaluated at least once every other year. The evaluation(s) shall be concluded on or before the employee's anniversary date.

9.5 Licensing Fees – Department of Motor Vehicles and Highway Patrol licensing fees that are required of drivers for re-certification every four (4) years will be reimbursed by the District

The non-work day will be taken on a designated non-student day with approval of the site administrator/supervisor. For the 2000-01 school year and continuing until staff development days are returned to the school calendar, all 9-1/2 month employees will take the equivalent of their workday off early after the students leave on super minimum days. Each employee will figure his/her own time and notify the principal or supervisor.

This broken shift pay will only apply to work days that total less than 8 hours.

Employees shall be compensated at a double time rate for the time worked beyond eight (8) hours on the seventh consecutive day.

11.6.1.1 An employee who works beyond their regularly assigned work week but less than forty (40) hours per week shall be compensated at the same hourly rate as their normal rate of pay for the additional time worked. Monday-Friday		X
Weekend/Holiday*		X
Snow	X	X
Monday-Friday Special Ed**	X	†
Weekend/Holiday* Special Ed**	X	†

*Based on time of departure.

**Special Education Teacher or Special Needs Bus.

†Only if Special Needs drivers are unable to fill the trip request. This is a chargeable trip.

11.7.3 All trips will be assigned on Wednesday for the following week.

11.7.4 If a trip comes into the office late, it will be assigned to the driver who is, at that time, up for a trip. If the driver cannot be reached to assign a last minute trip or refuses a trip assigned within 24 hours prior to departure, he/she will not be charged for that trip.

11.7.5 Trips may be split in two (2) parts--delivery and pickup. This will result in the driver returning to the parking lot during the middle part of the day or to his/her regular schedule. Weekday split trips will be compensated for actual hours worked. Individuals providing one part of the split trip will be charged for the trip. Normally, trips out of the general area (greater than thirty (30) miles one way will not be a split trip.

11.7.6 If a driver does not have the appropriate size bus and/or needs a bus with a luggage compartment for a trip, a bus will be assigned to the driver. This can result in a bus being taken off the regular route and the driver of that route being assigned to another bus.

11.7.7 When a mandatory meeting is called, a driver who has been assigned a trip will not be charged for the trip and will attend the meeting.

11.7.8 If two (2) or more buses are scheduled for trips, it will be the responsibility of the senior driver to assign average loads per bus. Minimum loads for eleven (11) row buses are forty-four (44) students, and for thirteen (13) row buses, fifty-two (52) students.

11.7.9 If the number of passengers is not sufficient to justify the use of all buses originally scheduled, it will then be the responsibility of the senior driver to cancel the trip request of a volunteer driver or the least senior driver not required to take the trip.

11.7.10 The driver will be compensated a maximum of six (6) hours if there is a cancellation of a trip on a Saturday, Sunday, or holiday, and the bus driver has already reported for work. This time falls into "Lost Hours" status as outlined in Section 10 of this article. If the employee chooses to refuse the lost hours, he/she will be paid call back time as outlined in Section 11.5.4 above.

11.7.11 The driver shall be available up to two (2) hours before the scheduled trip. However, no compensation is allowed if the trip is canceled before the driver leaves home.

11.7.12 If a trip is scheduled one-hour after the assigned driver's last run, it will be considered a night trip. Night trips canceled after returning to the yard for the field trip will be compensated at a minimum of two (2) hours or actual hours worked.

11.7.13 If a driver has an overnight trip, it will be considered as one (1) trip.

11.7.14 When a bus driver stays overnight on a trip, he/she will be paid for a full eight (8) hour day for the days involved or actual driving time, whichever is greater. The driver will fill out a driver's log.

11.7.15 Trips will be assigned by the strict rotation concept, by program (Regular Ed or Special Needs), and in the numerical order given the trip request. This will include winter and spring vacations, as well as Saturday, Sunday, and holidays.

11.7.16. Canceled trips - Only canceled trips may be made up.

11.7.17. Any trip assigned on a non-driver work day will be considered a six (6) hour minimum day, or actual time worked, whichever is greater.

11.7.18. Travel Expenses - Drivers will be reimbursed for actual and necessary expenses for food and lodging in accordance with District Policy 3300 and 3350 by submitting appropriate receipts.

11.7.19. On District trips when drivers are unable to use their own cars to go get meals and use restroom facilities, buses may be used as the driver's transportation.

11.7.20. If a driver is scheduled for a trip which conflicts with a midday route, and that trip causes the driver to have less than his/her daily route hours, the driver will be considered to be in a "Lost Hours" status.

11.8 QUALIFICATIONS

11.8.4. Field trip training, including snow trip training, will be given at least once per year.

11.8.5. Snow trip training will be given during conditions that allow for complete snow training.

11.9.1. Bidding will be by seniority. Seniority shall be determined solely by length of service. Length of service shall be calculated by date of hire within the classification. Employees who voluntarily terminate their employment with the District will establish a new date of hire when re-employed with the District; for bidding purposes only.

11.9.2. New route sheets will be provided one week prior to bidding. Bidding will occur during the 7th week after the start of school.

11.9.3 The Director of Transportation will confirm in writing the route and bus selection made by drivers.

MEMORANDUM OF UNDERSTANDING

**Between
Folsom Cordova Unified School District
And
CSEA, Chapter 528**

On occasion, it becomes necessary to transport one to two special needs students from home to school. This necessity often lasts for a brief period of time per student. It is an intermittent assignment and not a regular route. These assignments will first be offered using the extra work procedures for bus drivers. Only on the days when there are no licensed school bus drivers available, including relief drivers, will the District utilize bus cadet trainees. Only those bus cadet trainees who have passed the written portion of the Department of Motor Vehicles School Bus Driver's Certificate test, have been fingerprinted, obtained a D.M.V. physical, and have passed tuberculosis, weight lifting, and drug tests may be utilized. These cadets will drive a District van which does not require a California School Bus Certificate. Parents of students riding in these vans will be notified of the non-certificate driver's status.

It is agreed that these positions are not to become regular, and one student pick-up and drop-off will not last more than 15 work days in any one year. Any cadet assigned to such a transportation assignment will be concurrently participating in the District's school bus certificate training program and must proceed to full licensure within three months of the van driving assignment.
